PREDICTABLE ENVIRONMENTS

First / Then Board

A simple support for clarifying what happens now and what comes next.

FIRST	THEN
<i>picture / word / activity</i>	<i>picture / word / activity</i>

Teacher tip: Gradually teach the student to check the board independently rather than relying on repeated adult verbal prompts.

PREDICTABLE ENVIRONMENTS

Station Sequence

Use this as a 3-station rotation board or duplicate the idea for your own setup.

PREDICTABLE ENVIRONMENTS

Choice Board

Offer meaningful choices while keeping the number of options manageable.

A white rounded rectangle containing a dashed rectangular box for writing a choice.

CHOICE 1

A white rounded rectangle containing a dashed rectangular box for writing a choice.

CHOICE 2

A white rounded rectangle containing a dashed rectangular box for writing a choice.

CHOICE 3

A white rounded rectangle containing a dashed rectangular box for writing a choice.

CHOICE 4

Keep choices concrete and visible. When possible, include activities the student can access with increasing independence.
